

The List of students selected for Travel support to participate in ICEC30-ICMC 2026 :

1. Abhishek Verma -- Analyzing the Effect of Variable Thermophysical Properties on a Tube-in-Tube Exchanger for Dilution Refrigerators
2. Neha Sharma -- Microstructural and Electrical Characterization of Multifilamentary NbTi Superconducting Joints for Persistent-Mode MRI Applications
3. Abhishek Hulibandi -- Thermodynamic and Magnetostatic Performance Analysis of Space Qualified Miniature Dual Opposed Coaxial Pulse Tube Cryocooler
4. Shreyam Bansal -- Characterization of micron-sized annular capillary impedances at cryogenic temperature
